### Master Class Sessions

These are pre-recorded sessions available on the Back to Business replays page as part of full registration.

- Richelle Shaw presents: How to Add \$100k to \$1M to Your Business Instantly Without Adding Employees, overhead or a big marketing budget.
- Jai Stone presents: Catapult Your Brand Through Speaking the Secret to getting booked and becoming a Paid Professional Speaker with a Bad-Ass Brand
- Lynette Crosby presents: Close Your Core and Open Yourself Up to Greatness – How to overcome the internal and external whispers of doubt and nay-sayers, so you can feel better, speak your truth, live in your purpose and confidently create the life of your dreams.
- Marcyline Bailey presents: Break Away from the Vortex of Crazy. Entrepreneurs and professional women are under a tremendous amount of stress. Tap into simple relaxation methods and stress relief techniques for hardworking professionals who want to be happy.
- Fay Lawrence presents: Professional and Polished: The steps every entrepreneur and career professional needs to take to create a LinkedIn Profile that turns heads and attracts attention.
- Ronisha Sheed presents: Becoming A Boss: How to carve out time to be a part-time entrepreneur while working in your 9-to5 "bridge job".
- Tieshena Davis presents: How to Think Like a Bookpreneur; book publishing, marketing and sales steps every new author needs to know.
- LaShanda Henry presents: Working with Wordpress: A getting started training for beginners on setting up your Wordpress website, adding posts, pages, social media content and more.
